- Apr 15—Technology
 Sep 15—The Business of Medicine

Supplements:

- Apr (Suppl)—Introduction to bacterial vaginosis
 Aug (Suppl)—Hormone Therapy: A 2007 Update
 Aug 15 (Suppl)—What's new in OAB?
 Sep (Suppl)—Exploring New Findings in PBS/IC
 Sep (Suppl)—Hysterectomy and Surgical Menopause: A Management Plan Based on Expert Opinion
 Nov (Suppl)—Overactive Bladder (OAB) Syndrome: Bridging the Clinical Gap
 Dec (Suppl)—Dealing with Sensitive Topics: Educating Women about Vaginal Health
 Dec (Suppl)—Use of Low-Dose Hormone Therapy and Menopause: Changing Perspectives

AUTHORS

- Almryde K:** see **Catanzarite V**
Baker JP: see **Coffin CT**
 Preventing work-related injuries among sonographers and sonologists. 78-84, Jul, uc
Balliram-Manohala DO: see **Kahn KR**
Beaudet AL: see **Van den Veyver IB**

Bergh C

- Is single embryo transfer okay in women <38 undergoing their first IVF cycle? Yes. 50-60, Jun, co

Bertone-Johnson E: see **Johnson S**

Betjes HE, Stewart EA

- Fibroid embolization and high-intensity focused U/S. 14-20, Apr 15, ra

Bhandari V: see **Norwitz E**

Bodurka DC: see **Slomovitz BM**

Boggess J: see **Shafer A**

Bombard A: see **Catanzarite V**
Brodman M

- Electrocautery devices: The way they work. 85-93, Aug, ra

Bronshtein E: see **Gimovsky ML**

Brown ZA: see **Gardella C**

Buhimisch CS: see **Norwitz E**

Buhimisch IA: see **Norwitz E**

Burstein GR: see **Hogben M**

Caritis SN: see **Hackney DN**

Catanzarite V, Almryde K,

Bombard A

- Ob Team Stat: Developing a better L&D rapid response team. 52-65, Sep, ra

Catanzarite VA, Masser-Frye D

- ... My sister has breast cancer. 104, 103, Dec, bw

Coffin CT, Baker JP

- Preventing work-related injuries among sonographers and sonologists. 78-84, Jul, uc

Collins D

- January Legal Case Summaries. 41-45, Jan, ls
 July Legal Case Summaries. 30-34, Jul, ls
 March Legal Case Summaries. 32-38, Mar, ls
 May Legal Case Summaries. 36-46, May, ls
 November Legal Case Summaries. 33-37, November, ls
 September Legal Case Summaries. 42-48, Sep, ls
 September 15 Legal Case Summaries. 8-10, Sep 15, ls

Copel JA

- Time for an 80-hour workweek for attendings? 116, Apr, so
 Tort reform: A modest proposal. 128, 126, Sep, so

Copel JA: see **Magloire L**

Cowett A

- *Contraceptive options for your obese patients. 52-57, Mar, ra

Dinsmoor MJ

- Are you up-to-date on the latest STI guidelines? 102, Oct, ra
 ... Should I get a flu shot while I'm pregnant? 108, 107, Nov, bw

Dizon-Townson D

- Does heparin prevent adverse pregnancy outcomes associated with inherited thrombophilia? No. 92-100, Sep, co

Elkas J: see **Stany MP**

Espey E: see **Ogburn T**

Ferenczy A, Franco EL

- *HPV: Answering your worried patients' questions. 48-54, Apr, ra

Forrest ST

- Business 101 for ob/gyns. 30-32, Sep, og

Fragouli E: see **Wells D**

Franco EL: see **Ferenczy A**

Freeman EW

- Distinguishing and treating PMS and PMDD. 60-66, Feb, ra

Fritz MA

- Is egg freezing ready for prime time? No, not yet. 86-95, Apr, co

Funai EF

- ... Should I take aspirin to prevent preeclampsia? 34-37, Aug, bw

Funai EF: see **Samuels-Kalow ME**

Gardella C, Brown ZA

- *Serologic testing for herpes simplex virus: Ready for prime time? 54-58, Oct, ra

Ghidini A, Locatelli A

- Protocols: High-Risk Pregnancy: Indices of maturity. 55-66, Apr, ra

Gibbons HE: see **Nickles Fader A**

Gimovsky ML, Rosa E,

Bronshtein E

- *Update on breech management. 66-73, Sep, ra

Goldstein SR

- If it ain't broke, why are we fixing it? 124, Oct, so

Grainger DA

- Is single embryo transfer okay in women <38 undergoing their first IVF cycle? No. 50-60, Jun, co

Grant GJ

- Safely giving regional anesthesia to gravidas with clotting disorders. 40-53, Aug, ra

Hackney DN, Caritis SN

- Does tocolysis work? 42-49, Jun, ra

Hamilton E: see **Lerner H**

Hankins GDV: see **Longo M**

Hayworth SD

- Answers to your questions about ... 88, 101, Feb, mp
 Answers to your questions about ... 90-93, Mar, mp
 Mergers, audits, and self-inflicted injuries. 6, Sep 15, ed
 When you merge your practice into a larger one. 19-26, Sep 15, ra

Heit M

- *Managing nocturia. 54-59, Aug, ra

Hertweck SP

- When MRSA strikes your ob/gyn patient. 38-47, Apr, ra

Hirsch E

- *Protecting the perineum during operative vaginal delivery. 56-61, May, ra

Hogben M, Burstein GR

- *Your patient has an STI: How do you tell her partner? 44-50, Jul, ra

Hossain N: see **Paidas MJ**

Isaacson K

- Can we afford to use advanced technology in medicine? It depends. 4, Apr 15, ed

Jain J

- Is egg freezing ready for prime time? Yes. 86-95, Apr, co

Jensen JT

- Don't forget the *other* benefits of the levonorgestrel IUS. 46-54, Jan, ra

Johnson S, Bertone-Johnson E

- PMS: Should you recommend calcium and vitamin D supplements? 74-76, Sep, ra

Kahn KR, Mollendorf JC,

Balliram-Manohala DB

- The clinical consequences of loose lips. 36-42, Feb, cc

Kaplan AI

- The case of the missed ectopic pregnancy. 42-45, Oct, ls
 HELLP is on the way. 42, 43, Dec, ls
 The mystery of the incomplete history. 60-63, Aug, ls
 The undiagnosed breast mass. 30-36, Apr, ls
 Who perforated this bowel? 34-40, Jun, ls

- Who was to blame for this perirectal abscess? 30-34, Feb, ls

Kaplowitz PB

- Is it precocious puberty? Should you refer? 42-51, Mar, ra

Lalioti M: see **Wells D**

Legro RS

- Metformin for infertility in PCOS: Going, going, gone. 54-61, Dec, ra

continued, page 78

EDITORIAL INDEX

Lerner H, Hamilton E

Shoulder dystocia: What if you could see it coming? 61-70, Nov, ra

Locatelli A: see Ghidini A

Lockwood CJ

Are doctors' salaries responsible for the health-care financing crisis? 13-15, Sep, ed

The 'flattening' of ob/gyn practice. 11-15, Jun, ed

How much is too much prenatal care? 9-16, Feb, ed

If your patient has symptomatic myomas, is UAE an option? 9-11, Apr, ed

Intrapartum EFM: How can we better identify the at-risk fetus? 15-17, Jan, ed

Obstetrics and culture. 8-11, Aug, ed

Pay for performance: Ready or not, here it comes! 16-18, Nov, ed

Progestrone: No magic bullet. 11-15, Oct, ed

Rising mercury: What to tell patients about eating fish. 14-16, Dec, ed

What we don't know about hormonal contraceptives. 10-16, Mar, ed

Yes to mandatory HPV vaccination. 12-16, Jul, ed

Longo M, Hankins GDV

External cephalic version. 64-69, May, ra

Lubbe EJ

Dealing proactively with office romances, family leave, and other common HR problems. 11-18, Sep 15, ra

Magloire L, Copel JA

Role of U/S during labor and induction. 81-86, May, uc

Major CA

Oral hypoglycemic agents in pregnancy. 38-50, Nov, ra

Malee MP

Protocols: High-Risk Pregnancy: Parvovirus B19 infection. 70-80, May, ra

Masser-Frye: see Catanzarite VA

McGovern PG: see Seungdamrong A

Mollendorf JC: see Kahn KR

Nageotte MP

Avoiding five common mistakes in FHR monitoring. 50-55, May, ra

Nickles Fader A, Gibbons HE, von Gruenigen VE

*Helping endometrial cancer survivors to live longer—and better. 54-60, Nov, ra

Norwitz E, Buhimschi IA, Bhandari V, Buhimschi CS

Preeclampsia: Creating a urinary screening test. 6-12, Apr 15, ra

Norwitz ER

Words hurt! What obstetricians can learn from Joe Biden. 128, May, so

Nyirjesy P

Is it vulvar vestibulitis? 64-73, Jan, ra

Ogburn T, Espey E

*Encouraging more patients to choose an IUD. 72-77, Jun, ra

Paidas MJ

Does heparin prevent adverse pregnancy outcomes associated w/inherited thrombophilia? Yes. 92-100, Sep, co

Paidas MJ, Rosenman S, Hossain N

Using activated factor VII in ob/gyn practice. 46-53, Oct, ra

Phelan ST

... Should I have dental work done while I'm pregnant? 36, Oct, bw

Queenan JT

Protocols for High-Risk Pregnancies. 116, Mar, so

Raine T

Helping teens choose the right contraceptive. 64-74, Aug, ra

Ramirez PT, Slomovitz BM

What you need to know about laparoscopic surgery for endometrial cancer. 69-79, 86, Feb, ra

Reddy UM

Protocols: High-Risk Pregnancy: Recurrent pregnancy loss: nongenetic causes. 63-71, Jun, ra

Rosa E: see Gimovsky ML

Rosenman S: see Paidas MJ

Saade GR

Protocols: High-Risk Pregnancy: Occupational hazards. 58-68, Mar, ra

Samuels-Kalow ME, Funai EF

Is pregnancy a stress test? 59-72, Oct, ra

Santoro NF

Keeping track of the bass line. 112, Aug, so

... what about my constipation? 79-80, Jan, bw

Seungdamrong A, McGovern PG

*Ob/gyn complications of celiac disease. 56-59, Feb, ra

Shafer A, Boggess J

The robotic revolution: Coming soon to a facility near you? 22-31, Apr 15, ra

Silidker J

The myth of the due date in pregnancy. 78, 80, Jun, cc

Simpson JL

Prenatal screening isn't perfect. 116, Feb, so

Simpson JL: see Van den Veyver IB

Slomovitz BM, Bodurka DC

HPV vaccine: Breaking down the barriers. 38-43, Jul, ra

Slomovitz BM: see Ramirez PT

Smith H

Malpractice crisis: If we can't beat them, join them. 48, 49, May, cc

Speroff L

Is a transdermal patch more likely to cause VTE than an OC? 50-53, Dec, ra

Meta-analysis is to analysis as meta physics is to physics. 116, Jun, so

Premenopausal atherosclerosis: Setting the stage for later clinical disease. 84-88, Mar, ra

What have we learned from the WHI? 12-17, May, ed

Stany MP, Elkas JC

*Laparoscopy for adnexal masses in pregnancy? 44-49, Dec, ra

Stewart EA: see Betjes HE

Stumpf PG

*Taking aim at the top 3 patient safety errors in ob/gyn. 58-63, Jan, ra

Taylor HS

Is it time to eliminate progestin from hormone therapy? 104, 102, Jul, so

Tu FF

A thorough approach to pelvic pain. 44-55, Feb, ra

Utian WH

Our 40-year ride on the hormone therapy rollercoaster. 96, Jan, so

Van den Veyver IB, Simpson JL, Beaudet AL

DNA microarrays: A promising new option for prenatal diagnosis. 32-40, Apr 15, ra

von Gruenigen VE: see Nickles Fader A

Wells D, Lalioti MD, Fragouli E

The future of PGD: Should we be screening all of the chromosomes? 73-82, Oct, ra

Wheeler M

Protocols: High-Risk Pregnancy: First-trimester vaginal bleeding. 70-77, Jul, ra

SUBJECTS

ABORTION, SPONTANEOUS

Protocols: High-Risk Pregnancy: Recurrent pregnancy loss: nongenetic causes. 63-71, Jun, ra

ANEMIA

*Ob/gyn complications of celiac disease. 56-59, Feb, ra

ANESTHESIA

Safely giving regional anesthesia to gravidas with clotting disorders. 40-53, Aug, ra

ANTIDEPRESSANTS

Distinguishing and treating PMS and PMDD. 60-66, Feb, ra

ASSISTED REPRODUCTIVE TECHNOLOGY

Is egg freezing ready for prime time? 86-95, Apr, co

The future of PGD: Should we be screening all of the chromosomes? 73-82, Oct, ra

Is single embryo transfer okay in women <38 undergoing their first IVF cycle? 50-60, Jun, ra

BLADDER

Exploring new findings in painful bladder syndrome/interstitial cystitis (PBS/IC). Sep (Suppl), ra

NAMS Notes: Highlights of a new position statement on calcium. 74, 76, Jan, ra
Our 40-year ride on the hormone therapy rollercoaster. 96, Jan, so

MYOMA

If your patient has symptomatic myomas, is UAE an option? 9-11, Apr, ed

OBESITY

*Contraceptive options for your obese patients. 52-57, Mar, ra

OBSTETRICS

Avoiding five common mistakes in FHR monitoring. 50-55, May, ra
DNA microarrays: A promising new option for prenatal diagnosis. 32-40, Apr 15, ra
Does heparin prevent adverse pregnancy outcomes associated with inherited thrombophilia? 92-100, Sep, co
How much is too much prenatal

care? 9-16, Feb, ed
Obstetrics and culture. 8-11, Aug, ed
Ob Team Stat: Developing a better L&D rapid response team. 52-65, Sep, ra
Preeclampsia: Creating a urinary screening test. 6-12, Apr 15, ra
Prenatal screening isn't perfect. 116, Feb, ra
*Protecting the perineum during operative vaginal delivery. 56-61, May, ra
Protocols: High-Risk Pregnancy: First-trimester vaginal bleeding. 70-77, Jul, ra
Protocols: High-Risk Pregnancy: Occupational hazards. 58-68, Mar, ra
Protocols: High-Risk Pregnancy: Parvovirus B19 infection. 70-80, May, ra
Protocols: High-Risk Pregnancy: Recurrent pregnancy loss: nongenetic causes. 63-71, Jun, ra
Role of U/S during labor and induction. 81-86, May, uc
*Update on breech management. 66-73, Sep, ra

OBSTETRICS AND GYNECOLOGY, SPECIALTY

Malpractice crisis: If we can't beat them, join them. 48-49, May, ra
Preventing work-related injuries among sonographers and sonologists. 78-84, Jul, uc

OCCUPATIONAL HAZARDS

Preventing work-related injuries among sonographers and sonologists. 78-84, Jul, uc
Protocols: High-Risk Pregnancy: Occupational hazards. 58-68, Mar, ra

PAIN MANAGEMENT

Safely giving regional anesthesia to gravidas with clotting disorders. 40-53, Aug, ra
A thorough approach to pelvic pain. 44-55, Feb, ra

PAPNICOLAOU TESTS

If it ain't broke, why are we fixing it? 124, Oct, so

PAPILLOMAVIRUSES

*HPV: Answering your worried patients' questions. 48-54, Apr, ra
HPV vaccine: Breaking down the barriers. 38-43, Jul, ra
If it ain't broke, why are we fixing it? 124, Oct, so
Yes to mandatory HPV vaccination. 12-16, Jul, ed

PELVIS

A thorough approach to pelvic pain. 44-55, Feb, ra

PHYSICIAN-PATIENT RELATIONS

Time for an 80-hour workweek for attendings? 116, Apr, ra
Words hurt! What obstetricians can learn from Joe Biden. 128, May, so

POSTOPERATIVE COMPLICATIONS

Who perforated this bowel? 34-40, Jun, ls

PRACTICE MANAGEMENT

Answers to your questions about... 88, 101, Feb, mp
Answers to your questions about... 90-93, Mar, mp
Business 101 for ob/gyns. 30-32, Sep, og
Dealing proactively with office romances, family leave, and other common HR problems. 11-18, Sep 15, ra
The 'flattening' of ob/gyn practice. 11-15, Jun, ed
Mergers, audits, and self-inflicted injuries. 6, Sep 15, ed

Time for an 80-hour workweek for attendings? 116, Apr, ra
When you merge your practice into a larger one. 19-26, Sep 15, ra

PREECLAMPSIA

Is pregnancy a stress test? 59-72, Oct, ra
Preeclampsia: Creating a urinary screening test. 6-12, Apr 15, ra
... Should I take aspirin to prevent preeclampsia? 34-37, Aug, bw

PREGNANCY

Is pregnancy a stress test? 59-72, Oct, ra
The myth of the due date in pregnancy. 78, 80, Jun, cc
Should I get a flu shot while I'm pregnant? 108, 107, Nov, bw

PREGNANCY COMPLICATIONS

Is pregnancy a stress test? 59-72, Oct, ra
Protocols: High-Risk Pregnancy: External cephalic version. 64-69, May, ra
Protocols: High-Risk Pregnancy: First-trimester vaginal bleeding. 70-77, Jul, ra
Protocols for high-risk pregnancies. 116, Mar, so
Protocols: High-Risk Pregnancy: Recurrent pregnancy loss: nongenetic causes. 63-71, Jun, ra
Safely giving regional anesthesia to gravidas with clotting disorders. 40-53, Aug, ra
